

Report on Handholding Support for Preparation of Village Panchayat Development Plan under the RRGSA Scheme

Puratchi Thalaivar Dr.M.G.R Arts and Science College for Women is a Private Self Financing College of full - time students aged between 16 and 19, founded in the year 2017, under the Chairmanship of Mr. A. Anwhar Raajhaa. The College boasts first class facilities and is committed to providing excellent education for the success of every student. Top priority is placed on high quality support and guidance to students in their academic and personal development. Puratchi Thalaivar Dr.M.G.R Arts and Science College for Women College is managed by Puratchi Thalaivar Dr.M.G.R Educational and Welfare Trust. The Trust members are Business tycoons with established educational administrator ship.

The Correspondent Mr.A.Anwhar Raajhaa has 18 years of rich administrative experience in managing successful educational institutions in Uchipuli. A foresighted visionary he aims at contributing his might in the field of Higher Education. The other trustees are people always willing to dedicate themselves to serve the society so as to impart quality higher education to the needy and the down trodden. The campus consists 34,497 square feet of built-up area. The main structure comprises ground and first floor with spacious class - rooms.

About the Organization:

Vision

The vision of the college is to evolve into a Center of Excellence in women education that aims at improving the knowledge and skill of women through creative and innovative practices so as to empower them, to make them self-reliant and further enable them capable of bringing socio-economic changes.

Mission

Puratchi Thalaivar Dr.M.G.R. Arts and Science College for women is established with the best infrastructural facilities and conducive environment for learning.

1. To give an excellent education to the young women from less-privileged background to lead and serve the society.
2. To impart life-oriented value education, make them aware of their rich cultural heritage and help them fulfill their destiny as women.
3. To uplift youth through various non-conventional courses to polish the career skill sets of women.
4. To prepare them to face the challenges of life with higher confidence and courage.
5. To ascertain the rights and place of women in the society through women empowerment.

About the Handholding : Adopting Villages

The handholding support involved the adoption of multiple villages for structured intervention in

Rural planning and development. The approach included:

- Conducting training programs for village representatives and stakeholders.
- Implementing awareness campaigns on sustainable development.
- Facilitating participatory planning through surveys and community discussions.
- Special concentration on Self Help Training Program

The expected outcomes include enhanced governance at the panchayat level, increased

Community participation, and the formulation of effective Village Panchayat Development Plans (VPDPs).

Geographical Location and Population:

The initiative covered villages such as **Vedhalai, Vellariodai, Irumeni, Kuyavankudi** in Mandapam Union Ramanathapuram District. Tamil Nadu. These villages exhibit diverse demographic characteristics, with a significant proportion belonging to certain communities. The socio-economic indicators highlight the need for intervention in women employment, women empowerment, sanitation, hygienic and health services.

Major Challenges of the Area – Situation Analysis

Each village has its own problems it includes:

- **Vedhalai:** Lack of women education and women empowerment, Insufficient Educational infra structure.
- **Vellariodai:** Limited access of clean drinking water and Communal issues and crime area.
- **Kuyavankudi:** Lack of sustainable employment opportunities and inadequate sanitation facilities
- **Irumeni:** Being a seashore area, there is a challenge for poor road connectivity.
- **Rettaiyurani:** Lack of sustainable employment opportunities for women

Implementing Strategies (Community Survey, Participative Mechanisms)

The intervention Strategies included:

- Conducting rural camp and surveys
- Engaging stakeholders through focus group discussions and hands on training to SHG's
- Engaging community activities participating Gram Sabha Meetings.
- Conducting capacity building programs and livelihood engagements
